Accessibility needs? Please contact us 2 weeks prior to the workshop.

## GETTING STARTED WITH DESIGN IN COURSES: ADOBE CREATIVE CLOUD EXPRESS

Monday, January 9 2:00 PM - 3:30 PM

Thursday, January 19 3:00 PM - 4:30 PM

Location: ACLC 259A 

**FACULTY AND INSTRUCTORS ONLY**

## GETTING STARTED WITH DESIGN: ADOBE CREATIVE CLOUD EXPRESS, ADOBE STOCK

Wednesday, January 18 3:00 PM - 4:00 PM

Location: RBD Library 2009 (across the hall from the RBD help desk / Panera Bread, 2nd floor). 

Faculty and instructors, learn to leverage Adobe Creative Cloud in your courses for increased student engagement. All students have free access to an Auburn Adobe ID <http://adobe.auburn.edu> to help them learn digital creativity skills. Explore Adobe Creative Cloud Express, an app that allows everyone to create beautiful graphics, web stories, slideshows, and video, Adobe Stock- free, high-resolution images for use in projects, and Adobe Premiere Rush- a user-friendly video editing app. Access Adobe's free resources that will empower you to use more powerful apps such as Photoshop, InDesign, Illustrator, and Premiere Pro. Bring a laptop to join in. Consult with instructional technology specialists on integrating Adobe Creative Cloud applications into your courses to promote students' digital literacy, applicable in any area of study. Come away from this session with an assignment incorporating multimodal learning ready to implement in your course, increasing student engagement and digital creation skills. **SESSIONS REPEAT; ATTEND ONE ONLY.**

Students, sign up for your free Adobe ID <http://adobe.auburn.edu>. Faculty and staff, learn to leverage Adobe Creative Cloud in your courses and work. Explore Adobe Creative Cloud Express, an app that allows everyone to create beautiful graphics, web stories, slideshows, and video, and Adobe Stock- free, high-resolution images for use in your projects. Access Adobe's free resources that will empower you to use more powerful apps such as Photoshop, InDesign, Illustrator, and Premiere Pro. Bring a laptop or mobile device to join in; laptops available if needed. **REGISTRATION ENCOURAGED BUT WALK-INS ARE WELCOME.**

Need a computer with Adobe Creative Cloud installed to attend? Use new desktop computers in the I&RC:

<https://www.lib.auburn.edu/irc/>.

For on-demand workshops, visit <https://aub.ie/ircinstruction>. Customized instructional sessions for classes are available upon request. Find more information about the I&RC Adobe Creative Space page at <https://aub.ie/ircadobe>.

## BASICS OF MANUAL PHOTOGRAPHY WITH DSLR CAMERAS

Tuesday, January 24 3:00 PM – 4:00 PM

Location: this session will take place **IN-PERSON ONLY** in the I&RC's Technology Lending Space on the 1st floor of the RBD Library.

Learn the fundamental elements of photography and how to use manual controls on dslr cameras in this hands-on workshop. This workshop will cover how to use the Nikon dslr cameras available for checkout in the Technology Lending space of the I&RC. Participants are welcome to bring their own cameras as well.

## POSTER / VISUAL DESIGN AND PRESENTATIONS

Monday, January 30 3:00 PM – 4:00 PM

Location: RBD Library 30II

Need to design a poster for a class assignment, research presentation, or a conference presentation? Begin with the drag and drop features of PowerPoint to design and print or submit a poster; basic design tips included. Learn tips for presenting in-person and online. Explore ways to get started with more advanced poster design using Adobe InDesign and interactive apps.

## DESIGNING DOCUMENTS: ADOBE INDESIGN FOR BEGINNERS

Thursday, January 26 3:00 PM – 4:00 PM

Location: RBD Library 30II

Learn the basics of InDesign, including how to create brochures, flyers, and custom documents such as resumes and how to place images and add text. Adobe ID required <http://adobe.auburn.edu>. Use a computer with InDesign installed.

## CREATING GRAPHICS: ADOBE PHOTOSHOP FOR BEGINNERS

Tuesday, January 31 3:00 PM – 4:00 PM

Location: RBD Library 30II

Learn the basics of Photoshop and develop photo editing skills to enhance your class assignments and projects, including combining graphics with layered text and images for collages, adjusting photo colors, and adding effects. Adobe ID required <http://adobe.auburn.edu>. Use a computer with Photoshop installed.

## DIGITAL VIDEO: ADOBE PREMIERE RUSH

Wednesday, February 1 3:00 PM – 4:00 PM

Location: RBD Library 30II

## MAXIMIZING ADOBE STOCK TEMPLATES AND CREATIVE CLOUD LIBRARIES FOR EFFICIENT, EFFECTIVE COMMUNICATIONS

Tuesday, February 7 3:00 PM – 4:00 PM

Location: RBD Library 30II

Need a quick way to create slick video, on the fly? Explore Adobe Premiere Rush for video creation and editing. Basic videography tips included. Adobe ID required <http://adobe.auburn.edu>. Use a computer with Rush installed. Additional mobile device recommended. Discover Adobe's free resources that will empower you to use more powerful video apps such as Premiere Pro.

Need to design a poster for a class assignment, research presentation, or a conference presentation? Begin with the drag and drop features of PowerPoint to design and print or submit a poster; basic design tips included. Learn tips for presenting in-person and online. Explore ways to get started with more advanced poster design using Adobe InDesign and interactive apps.

## DIGITAL VIDEO EDITING: ADOBE PREMIERE PRO

Thursday, February 2 3:00 PM – 4:00 PM

Location: RBD Library 30II

## SHOWCASE YOUR WORK: ADOBE PORTFOLIO

Tuesday, January 31 3:00 PM – 4:00 PM

Location: RBD Library 30II

Create and edit video using Adobe's professional video editing software. Recommended prerequisite: Digital Video: Adobe Premiere Rush recording available at: <https://aub.ie/ircinstruction>. Ready to learn more advanced video editing techniques and effects? Explore Adobe Premiere Pro for video creation and editing. Adobe ID required <http://adobe.auburn.edu>. Use a computer with Premiere Pro installed. Videography tips included.

Create a responsive multi-page site to showcase yourself and your work. With Portfolio's Behance and Lightroom integration, it's ideal for art, photography, and graphics. Customizable themes enable you to easily present your work online and add content as you build your body of work. Adobe ID required <http://adobe.auburn.edu>. Use a computer to access Adobe Portfolio on the web.
